***Allowance***

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: Claims 11-12, 14-15, 19-36 are allowed. The art of record does not teach or render obvious a set having a head for use with a handpiece of a contra-angle and a dental instrument adapted to be used with the head and wherein the head is shaped to receive the instrument through an opening for insertion of the instrument into a housing of the handpiece so that the instrument is inserted through the opening by placing the head on a handle of the instrument and the head further includes a retractable retainer for engaging the handle of the instrument and wherein the retractable retainer includes a retention member which projects across the opening of the housing, and a ring coupled with the retention member end movable relative to the body of the head, against a restoring spring, wherein the ring is mounted concentrically on the body of the head.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Oath/Declaration***

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.497 is required. The oath or declaration is defective because it fails to identify the specification to which it is directed. Further, Non-initialed

and/or non-dated alterations have been made to the oath or declaration. See 37 CFR 1.52(c).
